POST

CORRESPONDENCE

Dear Mother & Dad & family;

This is quite a town. The  
Paz I didn't like. I've been out  
fishing on the lake no luck there,  
but had a good time. Met Wappers  
here & have been over for big meals  
& been treated wonderfully. Lark of  
scratch keeps me from living the life of  
Riley, but somehow I'm doing it anyway.  
See you the week end off.  
Love to all - BILLIE
